### STATUS REPORT

Pursuant to the Court's Oral Order on March 2, 2016 requesting a status report, Plaintiff Dragon Intellectual Property, LLC and Defendants Apple, Inc., AT&T Services, Inc., Charter Communications, Inc., Comcast Cable Communications, LLC, Cox Communications, Inc., DIRECTV LLC, Dish Network LLC, Sirius XM Radio, Inc., Time Warner Cable, Inc., and Verizon Communications, Inc. provide the following.

The Court ordered the parties to file a status report with the Court on March 14, 2016 to update the Court on the status of the case. Since then the parties have made progress towards conferring on a form of Stipulation of Non-Infringement, and continue to negotiate in good faith to reach a resolution. Those discussions are active and ongoing, and the parties believe that an additional 21-day period of stay will advance resolution of the case.

Accordingly, the parties respectfully request, subject to the Court's approval, an additional 21-day period to seek agreement on the form of a Stipulation of Non-Infringement. If full agreements are not reached by that time between all parties, all such remaining parties will, with the Court's approval, submit their competing forms of judgment to the Court.

If the Court requires further information, the Parties are available at the Court's convenience.
